Mission & Philosophy

Our primary purpose is to assist the A.A. groups of Central MN with carrying the message of A.A. to the alcoholic who still suffers. Intergroup is comprised of member groups and derives its purpose, mission and direction from the group conscience of its members and attendees. The ultimate authority in our meetings is our Higher Power who expresses Itself in our group conscience. Our leaders are but trusted servants empowered with the right of decision, but who answer to those member groups which they serve.

In all its activities, policies and proceedings, SCI observes A.A.'s Twelve Traditions and Twelve Concepts for World Service, as well as the three legacies of Recovery, Unity and Service. Our guiding philosophy is to conduct our meetings and service work with love, patience and compassion for the "still suffering".

SCI Meetings

Our meetings take place on the second Monday of the month at 6 pm. The meetings last approximately sixty minutes and focus on service work and service opportunities in the Central MN area.

SCI Representatives

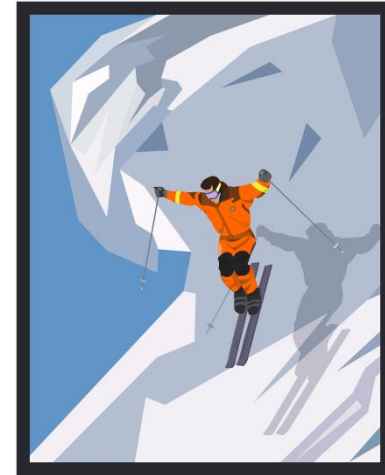

If your group would like to participate in SCI activities, please send a representative to our monthly meeting. A representative may be your current GSR or an elected Intergroup Representative (SCI Rep – aka SKler/SCIR).

SCI Service Opportunities

SCI has a myriad of service opportunities for the newly sober to the elder statesperson. Some of these opportunities include but aren't limited to: Speaking at local treatment centers, cooperating with the professional community, and corrections correspondence.

SCI Convention

Since 2014 an all-day convention has taken place in St. Cloud to provide workshops and meetings for members of A.A. In 2018 SCI was asked to take over the responsibility of putting on this convention. The Convention is held on a Saturday in September and continues to provide a low-cost, fun-filled day of A.A. workshops, meetings, and fellowship. If your group would like to help with the event, please call: 320-204-6005.
