Dear Central MN A.A. Groups

Every year the St. Cloud Intergroup (SCI) publishes its annual report card. It is an accountability check between SCI and our partner groups. SCI believes firmly in being held accountable for the service work we conduct. This report card is the culmination of our three-prong approach to service. We plan what we are going to do, we do it, and then we document the results. This report is in keeping with the philosophy of our Fourth Step and the directions found on page 64 in the Big Book where it says, “*A business which takes no regular inventory usually goes broke.*” This report is our adherence to AA’s Fifth Tradition, **“Each group has but one primary purpose— to carry its message to the alcoholic who still suffers.”**

**A MIDWINTER 12-STEP WORKSHOP:**

This workshop hosted by District 9 in Area 36 is sure to stimulate your mind and warm your heart in the midst of winter. The workshop is free, and lunch is provided. Who said there was no such thing as a free lunch? All that is asked of the participants is that you bring your Big Book, something to write with and that you be Honest, Open and Willing. Since these qualities are indispensable to our program of recovery, that's not too much to ask. **February 21-22, 2025, Mankato, MN.**

**ANNUAL SUNLIGHT OF THE SPIRIT WEEKEND:**

Save the date for the annual sunlight weekend. This event will take place in Fairmont, MN toward the end of April. Participants will get to hear from speakers across North America and will get an opportunity to bask in the sunlight of the spirit. Mark your calendars, save the date and make it a road trip with your sponsees. **April 25-27, 2025, Fairmont, MN**
