**ANNUAL REPORT CARD EDITION:** Since the inception of the SCI Report, we have devoted February to publishing our annual report card. On the backside of this newsletter, you'll find a rundown of all our 12<sup>th</sup> Step work metrics and numbers for calendar year 2025.

Why do we publish these numbers every year?

It is our assurance to you that your contributions are going to what we have collectively committed to do. It is confirmation of our “say to do ratio.” It is an annual inventory to make sure we are on track. Afterall, as the Big Book tells us on page 64, “A business which takes no regular inventory usually goes broke.” Taking a commercial inventory is a fact-finding and a fact-facing process.”

**12<sup>TH</sup> STEP OPPORTUNITIES:** “As often heard from our past SCI Chair, Alan S., “There’s plenty of 12<sup>th</sup> Step work to go around.” This remark hits the spot from the perspective of our SCI volunteers. Currently, we have a speaking or meeting engagement nearly every night of any given month. Sometimes we have more than one. Recently, treatment center staff, where we provide speakers quarterly, asked if we could provide speakers monthly. Another treatment facility where we provide monthly speakers asked if we could provide speakers twice a month. And another treatment facility asked if we could do an AA Public Information talk to their guests, six times in CY 2026. We

are very thankful and humbled by these 12<sup>th</sup> Step requests. We are thankful to the treatment professionals who are giving us the opportunity to “Carry the Message.” If you or your group wants to be involved in these efforts, please contact us or send a representative to our monthly Intergroup meeting. As Alan S. likes to say, “There’s plenty of 12<sup>th</sup> Step Work to go around.”

**WHEN IS THE NEXT SCI BUSINESS MEETING?** Please join us at our next business meeting on **Feb 9, 2026, at 6pm in the Midtown Office Building, Suite 302.** If you would like to attend virtually, you'll find instructions to do so on the landing page of our website. Just scan the QR code on the top of this page, and you'll be taken right to our webpage.
