THE SCI REPORT – JULY 2026
 VOLUME 99/ ISSUE 07-26

CARRYING THE MESSAGE: Last winter the St. Cloud Intergroup (SCI) ran an A.A. Public Information campaign by showing a short video about Alcoholics Anonymous prior to the start of movies played in a local theater. This campaign became so popular that it is now being conducted by several districts in Area 36. If you would like to learn more about what SCI is doing to “carry the message,” just take your phone camera and point it at

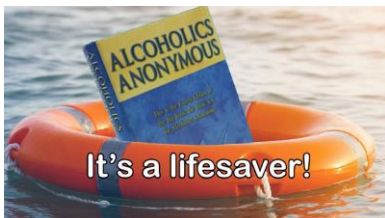

the URL code at the top of this page. You may also click on the web address at the top of the page, and you’ll be directed to our website.

Recently, SCI picked up another speaking commitment. A treatment center in Paynesville, MN asked us if we could provide A.A. speakers to the patients there two times a month. We were happy to accommodate the request, and our speakers will start going there in July.

Currently, SCI has 16 different locations in Central MN where we provide either speakers or meetings. If you or someone in your group has a passion for “carrying the message,” please come to our next Intergroup meeting.

We are looking for people who are serious about service. Some of our service opportunities include; speaking at A.A. and non A.A. meetings; bringing meetings into treatment centers and prison; providing corrections correspondence; and putting on our annual SCI Convention. There are plenty of service opportunities for everyone. If you’re unable to attend the business meeting, you can always reach us on our SCI hotline at: **320-204-6005**

WHEN IS THE NEXT SCI BUSINESS MEETING?

Please join us at our next business meeting on **July 13, 2026, at 6pm in the Midtown Office Building, Suite 302.** If you would like to attend virtually, you’ll find instructions on the landing page of our website. Also, reserve **September 19, 2026,** to attend our 13th Annual SCI (A.A.) Convention. We have a new location and format for this year’s event, but coffee is still free and admission is still \$5.00. Tickets are on sale now and available from any SCI Intergroup Representative.
