13TH ANNUAL SCI CONVENTION IN REVIEW: This year's convention was a smash hit. From our keynote speakers, the WCRT, and the A36 Delegate, to our Call-Up Meeting on Unity our Sponsorship Workshop, and our Workshop on Grapevine Humor, nearly everyone in attendance agreed this may have been our best convention to date. Below is a look at some of the metrics we use to measure success. One of the most important measurements we use to determine success is the number of newcomers in attendance. Newcomers are defined as having one year or less of sobriety. We estimate that nearly 1/3 of the audience was made up of newcomers!

THERE'S A NEW MEETING IN CLOUDY TOWN: One of the many services the St. Cloud Intergroup provides is helping new groups get started. We do this by providing AA books, literature, Grapevine issues and newcomer chips to the new group. To date we have helped five new groups form. Two of those groups reside in Central MN, one group resides in Chanhassen, MN, and the last two were overseas groups. The newest member of this group family is the Cloud AA Twelve by 12 Meeting on Thursday nights at 7pm, at Atonement Lutheran Church in St. Cloud, MN.

WHEN IS THE NEXT SCI BUSINESS MEETING? Please join us at our next business meeting on **Oct 12, 2026, at 6pm in the Midtown Office Building, Suite 302.** We will be conducting an After-Action Review (inventory) of the convention as well as taking nominations for off-cycle elections in November. If your group doesn't have an Intergroup Representative, please consider sending one to our monthly meetings.

The below announcements are provided as a service by SCI to the fellowship. The listing of these events does not imply endorsement or sponsorship of the event.
